2010 HOPE CUP POND HOCKEY TOURNAMENT

The Hope Center provides emergency assistance to those in need of a daily meal, emergency groceries, housing assistance and also provides an emergency hostel to those in need of warmth especially during this bitter cold winter. In the past year Parkbridge and Black Creek have been involved in the Hope Cup, a classic pond hockey tournament in support of the Hope Center.

Black Creek Leisure Homes has been the main sponsor for the past three years.

The Hope Center can certainly use your support in these difficult economic times.
